The abduction and abuse of children for unthinkable things from [sex slavery](#) to [military mind-controlled warfare](#) is something that's gaining more attention. Revelations seem to be occurring every single day.

by [Arjun Walia](#)

We are just hearing about [Pope Francis being implicated in a sexual abuse cover-up](#) at the Vatican, all as [his right-hand man is also on trial](#) right now for [sexual abuse](#). The fact is, the [Vatican has already dished out billions of dollars to settle child sexual abuse](#) claims.

So while it should now be clear that [pedophilia runs rampant within the Vatican](#), they continue to be praised and worshiped by the masses, while world leaders usually greet them with open arms and a smile.

The same disturbing truths are also coming out in other areas which the global elite seem to dominate: in [politics](#), within the [military-industrial complex](#), and even in [Hollywood](#).

The truth is being exposed, and if we continue considering these people as our moral and political 'leaders,' they will continue to show by their actions that they don't really have the best interests of humanity in mind, but rather seek only to fulfill their selfish motives.

It's time for us to face the obvious: if we keep looking to 'them' for change, change will never come. Ultimately, we have to look squarely at what has gone on, and instigate changes ourselves.

Canada's Residential Schools

For those of you who don't know, Christopher Columbus did some very disturbing things upon his arrival to the New Land, from taking slaves to murder, rape and much more. It's a dark history, one that still has yet to be fully uncovered.

The 'aristocratic' and Royal Family bloodlines that sponsored Columbus seem to have a 'dark' history, yet have been painted in a benevolent light.

The residential school system in Canada was made up of government-sponsored religious schools that were made to assimilate aboriginal children into a Euro-Canadian culture, a culture that was made by the ruling elite for everyone else to "fit" into.

This system originated in France, not long after the arrival of Europeans into the Americas, and was originally conceived by Christian churches and the Canadian government to education (brainwash) and convert aboriginal youth and to integrate them into Canadian society.

In the 1930s, the headmasters of the residential schools were made legal guardians of all native children, ripping them away from their parents under the oversight of the Department of Mines and Resources. All parents were forced to surrender legal custody of their children to a principal or a church employee, or face imprisonment. A few years later, "Indian Affairs" was taken over by the Federal Government. ([source](#)) ([source](#)) ([source](#))

Children here were abused, [killed](#), tortured and raped. They were also subjected to government and corporate experiments by pharmaceutical companies, used as medical test subjects whose bodies have vanished without a trace.

Pyramid of Control

The abduction and abuse of children, historically well hidden from us, is coming into view. It seems to be connected at the top with the [Bloodline Royal Families](#) and through the Church, and it funnels down the pyramid into all levels of control.

Could this be true?

We know that the Royal Family has a 'dark' history when it comes to their activities with children and some very strange modern-day connections. I went into more detail when millions were tuned into the Royal Family wedding.

[Millions Tune Into The Royal Family Wedding When We Should Be Investigating Royal Family Pedophilia](#)

We are talking about something that's been happening for generations. Babies are even born into this type of thing. It's all they know, to them it's normal and the implications they face when this all becomes transparent makes it understandable why some may want to come forward, but ultimately they don't.

A residential school survivor by the name of William Coombes has spoken out about his experiences. Apart from witnessing and being the victim of multiple forms of abuse, he also remembers Queen Elizabeth paying a visit to his school in 1964.

Here is the experience described in Coombes' own words, posted up by the [International Tribunal into Crimes by Church and State](#):

"I am an Interior Salish spirit dancer and am 58 years old. I live in Vancouver, Canada. I am a survivor of the Kamloops and Mission Indian residential schools, both run by the Roman Catholic church. I suffered terrible tortures there at the hands especially of Brother Murphy, who killed at least two children.

"I witnessed him throw a child off a three story balcony to her death. He put me on a rack and broke some of my bones, in the Kamloop school basement, after I tried running away. I also saw him and another priest burying a child in the school orchard one night.

"In October, 1964 when I was 12 years old, I was an inmate at the Kamloops school and we were visited by the [Queen of England](#) and [Prince Phillip](#). I remember it was strange because they came by themselves, no big fanfare or nothing. But I recognized them and the school principal told us it was the Queen and we all got given new clothes and good food for the first time in months the day before she arrived.

"The day the Queen got to the school, I was part of a group of kids that went on a picnic with her and her husband and some of the priests, down to a meadow near Dead Man's Creek. I remember it was weird because we all had to bend down and kiss her foot, a white laced boot.

"After awhile, I saw the Queen leave the picnic with ten children from the school, and those kids never returned. We never heard anything more about them and never met them again even when we were older. They were all from around there but they all vanished.

"The group that disappeared was seven boys and three girls, in age from six to fourteen years old. They were all from the smart group in class. Two of the boys were brothers and they were Metis from Quesnel. Their last name was Arnuse or Arnold. I don't remember the others, just an occasional first name like Cecilia and there was an Edward.

"What happened was also witnessed by my friend George Adolph, who was 11 years old at the time and a student there too. But he's dead now."

Coombes Assassinated

Coombes, was to have served as a sworn witness at the September 2011 session of the International Tribunal into Crimes of Church and State as to crimes of torture, genocide and crimes against humanity committed by Elizabeth of Windsor (Queen Elizabeth II) and her consort Prince Philip in Canada in October 1964 at Kamloops, British Columbia.

Below is a video of Coombs. The only one I could find. Taken from this full video. In that full video you can also find testimony from a survivor claiming that Indian Affairs (mentioned earlier) was in on it as well.

"The Queen came and visited or about three days... And a lot of children went missing there."

Change Is Coming

The point is, **things don't have to continue this way**. We do have a say in our world, its systems, and how we operate here and what happens to people. Every human being has the right to life, instead of being subjected to these things.

We do not desire to have our current 'leaders' be our leaders, and that is more clear than ever. Change has never come from that way, solutions to the world's problems exist but our society is built in a certain manner which **prevents these solutions to see their birth**.

But things are changing, and they are changing fast.

With transparency and information comes to change, which is why the "[Deep State](#)" is doing everything they can to silence and [censor information](#), but **it seems too late, it seems that they cannot stop**

what is happening, and that's the revelations of truth's about our world that do not and would not resonate with the vast majority of people on the planet who are, for starters, at least willing to accept them.

This is one in a series of articles taken from eyewitness testimony before the International Common Law Court of Justice in Brussels.

Five international judges are examining evidence of child rape, torture, murder and kidnapping allegedly done by global elite members of the Ninth Circle Satanic Child Sacrifice Cult network.

Regular Ninth Circle child sacrifices were said to take place in the catacombs of Catholic Cathedrals, the Vatican, on private estates and groves and government military bases in Belgium, Holland, Spain, Australia, Ireland, France, England and the US.

At least 34 child mass grave sites were identified in Ireland, Spain and Canada - and refused excavation by the respective

governments, Crown of England and Catholic Church.

Named as present in Ninth Circle activities were Pope Francis, former Pope Ratzinger; Anglican, United Church of Canada and Catholic Church officials including Cardinals; members of European royalty including Queen Elizabeth and Prince Phillip; officials of the Canadian, Australian, UK and US military and governments including the USA's CIA, plus prominent government ministers, judges, politicians and businessmen from the US, Belgium, Holland, Canada, Australia, France, Ireland and the UK.

Teens were drugged, stripped naked, raped, hunted down in the woods and killed by European royals according to this week's latest eyewitness to testify before the [International Common Law Court of Justice in Brussels](#).

The woman was the [fourth eyewitness](#) to give accounts about these human hunting parties of the global elite Ninth Circle Satanic Child Sacrifice Cult network.

A former member of the Netherlands criminal drug syndicate known as Octopus testified that victims were obtained for these human hunting parties from juvenile detention centers in Belgium and Holland.

"In 2004 I was an involuntary witness to torture, rape and murder sessions of drugged children performed for a group of high ranked people of the Netherlands" stated a woman.

"I was taken to a hunting party in Belgium close to Brussels where I saw two boys and a girl ages 14 to 16, hunted and killed by global elites. The human hunting party was heavily guarded by the Netherlands Royal Guards. I was told that King Albert of Belgium was present."

Four eyewitnesses confirmed that as children and youths they were forced to attend human hunting parties where they and other children were raped, with some killed, and deceased boy's penises were cut off.

Docs tell of death cult

MEMBERS of the Royal Family are involved with a worldwide network of Satanic child abusers, it was claimed yesterday.

And Government ministers are also active in the evil cult, said two leading doctors.

Their amazing allegations of ritual sex and slaughter will be screened later this month in a grisly ITV documentary.

It includes sickening evidence that children have been butchered for so-called "snuff movies."

Allegedly, there was a Dutch countryside palace where boys' penises were displayed like trophies on a wall. Some hunting parties were hosted on the grounds of Netherlands, at Queen Beatrix's Palace.

Dutch therapist [Toos Nijenhuis](#) claimed that as a four year-old she was forced to witness murders of children that involved former Pope Ratzinger, a Dutch Catholic Cardinal, plus the father of Netherlands Queen Beatrix and Bilderberger Founder, Dutch Crown Prince Alfrink Bernhard.

"I saw the former Pope Joseph Ratzinger murder a little girl" another witness confirmed. "It was at a French chateau in the fall of 1987. It was ugly, horrible and didn't happen just once. Ratzinger and Bernhard were some of the more prominent men who took part." In Ireland, Spain and Canada 34 child mass grave sites were discovered and appeared linked to Ninth Circle activities.

The largest was the Mohawk Indian Residential School in Brantford Ontario where child remains were identified in 2008 before the Catholic Church, Canadian government and English Crown shut down the dig by professional archeologists.

The 2013 ICLCJ Court had found Queen Elizabeth and Prince Phillip guilty for the Oct. 10 1964 disappearance of ten native children from the Catholic residential school in Kamloops British Columbia.

In the first two weeks of the 2014 court witnesses identified Dutch and Belgian royal participants in the rape and killing of Mohawk children and newborns. Named were Bernhard and King Hendrick, consort to Queen Wilhelmina of Holland.

Alleged to be present during the human hunting parties were the late Prince Johan Friso and his wife Mabel Wisse Smit, former ministers, the top man of the Dutch army, the under secretary of the Raad Van State in the Netherlands, the Vice-Roy next to Queen Beatrix and other global business and political leaders including some from the US.

"Surely the present King Willem Alexander and King Filip and their wives know about this abuse and murder of children" said one eyewitness. "They do nothing about it and likely are the ones to stop investigations and prosecutions."

In January 2014 the brother of the king of Holland Prince Johan Friso passed away in a coma after these three Dutch-language [websites shown here](#) reached the internet. The websites revealed that Friso was at the human hunting and killing parties.

“The story came on the internet after years of trying to move the policy and justice department in the Netherlands to act against the criminals,” an eyewitness said. “Nobody did anything to stop these criminals, probably because Queen Beatrix and King Albert likely interfered with the investigations.”

Human hunting parties were said to take place on the grounds of Belgium, Queen Beatrix’s Palace in the Netherlands. Two witnesses have named former Pope Joseph Ratzinger and Queen Beatrix’s father the deceased [Prince Alfrink Bernhard](#), as being present at child sacrifices. Both were said to be Nazi sympathizers.

The ICLCJ Court received a collection of Jesuit archival records about a child sacrificial cult known as the Knights of Darkness. In 1933 the Knights were established by the Catholic Jesuits and Nazi Waffen S.S. Division.

The records showed Ratzinger was identified as a member of the Knights while working as an S.S. Chaplain’s assistant at the Ravensbruck Concentration Camp in Germany. The records also stated that Ratzinger participated in child sacrificial rites using kidnapped children from the camps or political prisoners.

Another court document called the Magisterial Privilege indicated child sacrifice was a regular occurrence at the Vatican. At the tender age of 12 “Svali” of San Diego County California claimed she was brought to catacombs beneath the Vatican to witness the sacrifice of a three year-old drugged boy.

[In this video](#) her interviewer said that 24 years prior a “Maria” told him she witnessed another satanic child sacrifice rite in the same Vatican Catacombs.

Last week an Irish police investigator reported to the ICLCJ Court that the close to 800 babies buried in a Catholic Nun’s septic tank were dismembered, decapitated and in bits and pieces – signs that they could have been murdered in Satanic child sacrifice rites.

In the last two months the ICLCJ Court has heard these heart-wrenching testimonies about the rape, torture and murder of children as recently as 2010 by Catholic leaders, European royal family members and other global elites.

Murder sites of the Ninth Circle Satanic Child Sacrifice Cult were said to be in the catacombs of Catholic Cathedrals including the Vatican and on private estates, military establishments and groves in Belgium,

Holland, Spain, Australia, France, England and the US.

The ICLCJ Court has been overwhelmed with newly discovered evidence and a number of new witnesses coming forward to testify about Ninth Circle Satanic Child Sacrifice Cult activities.

Kevin Annett: 800 Irish babies slaughtered, Witnesses to Dutch Prince PM, Soros hunting children

They have uncovered Ninth Circle Satanic Cult member possible involvement in international child sacrifice, kidnapping, exploitation and drug rings. The five international judges and 27 jury members were expected to remain in session for at least a year due to the complexity of the cases.

Amnesty has been offered to citizens or employees of the Vatican, Crown of England, churches or governments willing to give sworn testimony or evidence that leads to the prosecution of these global elites suspected of committing crimes. Rewards up to 10,000 euros or around 13,660 dollars was available through the ICLCJ court.

The ICLCJ Court had over 450 Common Law Peace Officers in 13 countries, with 51 local chartered groups operating. Local organizing funds were available for common law groups that applied through the [International Tribunal into Crimes of Church and State](#).
